Entries into this exhibit must be enlargements, all department rules apply for entry. Limit 2 entries per photographer. First, Second and Third place ribbons will be awarded.

Theme for 2022: Guilford was founded over 100 years before the Revolutionary War as an agricultural community. Our town has a long history of service to our country and community. Citizens of Guilford have defended our country in times of war but with its roots in agriculture, they have continually fought to defend our community against hunger. Through a photo, show the "Wonders of Guilford" capitalizing on patriotism; farming; the caring citizens of Guilford. (Old Glory in the photo is always a plus)..
